NOTES:

1. All CSRS beneficiaries receive a full COLA. FERS generally does not provide COLAs to nondisabled annuitants under the age of 62, and the COLA provided to other beneficiaries are usually less generous than those provided under CSRS (if the CPI increase is less than 2%, the COLA equals the CPI change; if the CPI increase is between 2% and 3%, the COLA is 2%; if the CPI change is greater than 3%, the COLA is the CPI increase minus 1%).
2. Additional outlays are primarily refunds of retirement contributions to separated employees.
3. OPM's costs of administering CSRS and FERS are mostly discretionary and thus subject to appropriation.
